

Gyanmanjari
Innovative University

Course Syllabus
Gyanmanjari Institute of LAW
Semester-1 (LL.B)

Subject: Law of Tort, including MV. Accident and Consumer Protection Laws-LAWLL11505

Type of course: Major (Core)

Prerequisite: Understanding the Foundational principles of tortious liability.

Rationale: This syllabus is structured to equip students with a robust understanding of tort law, balancing theoretical principles with practical applications. The rationale emphasizes not only the importance of knowing the law but also the implications of tortious conduct in society. By the end of the course, students will be well-prepared to analyze tort cases, understand their legal implications, and navigate the complexities of civil liabilities.
