

Gyanmanjari
Innovative University

Course Syllabus
Gyanmanjari Institute of Commerce
Semester-4

Subject: Research Project - MCOXX14521

Type of course: Experiential Learning

Prerequisite: Basic knowledge Research Methodology & working etiquettes

Rationale:

A Research project is designed to integrate and apply theoretical knowledge to real-world scenarios, enhancing students' critical thinking, research, and problem-solving skills. It fosters project management and communication abilities while providing exposure to industry practices and emphasizing ethical and social responsibility. By promoting personal and professional development through continuous assessment and feedback, the syllabus ensures that students are well-prepared for professional challenges and are capable of conducting their work with integrity and competence.

Teaching and Examination Scheme:

Teaching Scheme			Credits	Examination Marks				Total Marks
CI	T	P	C	Theory Marks		Practical Marks		
				ESE(E)	CA	ESE (V)	CA(I)	
0	0	0	6	0	0	80	20	100

Legends: CI-ClassRoom Instructions; T – Tutorial/Teacher Guided Theory Practice; P - Practical; C – Credit, CA - Continuous Assessment; ESE - End Semester Examination.

The duration of internship will be two weeks. It will be during summer semester i.e. after completion of 2nd semester and before the commencement of Semester 4th semester.

Report Submission and Evaluation Guidelines:

- Student has to prepare a detailed Research report and submit the Research report to his/her college. A copy of Research report can be kept in the departments for record.
- Each student must be assigned a faculty as a mentor from the college.
- The evaluation will be of 20 marks for internal component and 80 marks for external Component. I Component (20 marks) will be evaluated by the Faculty Mentor or Internal guide of the students and V Component (80 marks) will be evaluated by faculty member nominated / appointed by the university

➤ The Internal & the External viva-voce shall evaluate based on:

- Quality of work performed by the student
- Implementation of concepts from earlier semesters
- Comprehension of the organization and business context
- Analytical skills
- Proficiency in technical writing and documentation
- Project outcomes and sense of purpose
- Relevance and usefulness of the project to the organization
- Diversity and significance of the learning experience

The presentation by student for Research Project Report should in the presence of all students is desirable

- Student should produce successful completion certificate of Research project by Guide.

Course Outcome:

After learning the course the students should be able to:	
CO1	Identify a research Problem and formulate a research question or Hypothesis.
CO2	Achieve Research project objectives with a clear sense of purpose.
CO3	Ensure the relevance and utility of their Research projects to the organization.
CO4	Gain diverse and significant learning experiences throughout the project.

General Guidelines for Research Project

- All students shall prepare and submit project report as part of the programmed. The project has to be undertaken on an individual basis.
- The general guidelines of Gyanmajari Institute of Commerce at Gyanmajari Innovative University shall apply for both Internal and External Evaluations of Project Report.
- The Project shall be done under the supervision and guidance of faculty of the department.
- The Research project work shall commence preferably by third semester and followed by fourth semester. Students shall submit the report in the prescribed format at least three weeks before the commencement of end semester examination of semester. Internal assessment shall be based on completion of the project, following the norms prescribed in general guidelines.
- The area of Research project shall be related to commerce/ related fields/ and may be closely associated to the area of specialization. Topics shall also be selected with the help of linkages with industry or policy making bodies.
- The student shall submit copies of project report, either printed or typed. There shall be a minimum of 40 pages and a maximum of 75 pages. The report may be hard bound or soft bound or spirally bound and the printing can be either double sided or single sided. A softcopy of the report may also be submitted to the department.
- The Research report shall contain the following:
 - Title page with topic, details of the student with register number, supervisor details and month and year of submission.
 - Certificate from Supervising teacher and counter signed by the Head of the Department with department seal.
 - Declaration by the student which shall include plagiarism details also. The relevant guidelines issued by the UGC and the University shall strictly be adhered to.
 - Acknowledgement

Table of Content

Chapters 1: Introduction of the Topic (Research Project)

Chapter 2: Literature Review (Research Project)

Chapter 3: Research Methodology (Research Project)

Chapter 4: Data Analysis and Interpretation

Chapter 5: Findings, Conclusion, Suggestions

Guidelines regarding cauterization are not absolute and may be altered according to topic/presentation convenience.

- Appendix (Questionnaire/ Schedule, Secondary data used for analysis, Statistical calculation details etc)

- Bibliography

(References may be presented in APA style)

The Internal Evaluation of the Research project shall be done at the department level and the component presentation/viva shall be based on open presentation by the student, preferably with the help of audio-visual aids, in the form of a defense of the project. The student has to produce a certificate before the Viva Board from the Head of the Department stating that the open presentation was done for the purpose of Internal Evaluation.

It is the responsibility of the student to put earnest effort for the completion of project. The consequences of plagiarism beyond permissible level in Research project work may result in failure of the course, in addition to other consequences.
