Level	Remembrance (R)	Understanding (U)	Application (A)	Analyze (N)	Evaluate (E)	Create (C)
Weightage	10%	25%	30%	15%	10%	10%

Note: This specification table shall be treated as a general guideline for students and teachers. The actual distribution of marks in the question paper may vary slightly from the above table.

Course Outcome:

COI	Apply grammar rules and vocabulary accurately in academic and professional communication.
CO2	Demonstrate comprehension of global English accents and extract information from listening tasks.
CO3	Speak fluently and coherently in interviews, discussions, and cue-card presentations.
CO4	Read and interpret academic texts using skimming, scanning, and inference strategies.
CO5	Write structured responses in formal letters, graph descriptions, and opinion-based essays.

Instructional Method:

The course delivery method will depend upon the requirement of content and the needs of students. The teacher, in addition to conventional teaching methods by black board, may also use any tools such as demonstration, task-based and activity-driven learning strategies, role play, Quiz, brainstorming, MOOCs etc.

Teachers will use audio-visual aids, mock simulations, lab assignments, real-life scenarios, and peer learning tools.

Platforms such as Google Forms, PPTs, Quizizz, and Google Docs may be used for assessments.

Students will engage in active learning through ALAs, peer feedback, and role-based activities.

10-15% of topics may be delivered using flipped classroom or self-learning videos (SWAYAM/NPTEL/dictionary apps).
