Eligibility Criteria (Home Science):

ELIGIBILITY

- ✓ Candidates completing their (10+2) with a minimum of 50 percentage from a recognized Board for general category student and 45 percentage for reserved category(SC/ST/SEBC/OBC/EWS).

Home Science

- ▶ BSc in Home Science
- ▶ MSc in Home Science

Significance Home science:

- ▶ Home Science is a core degree program of specialized higher education courses that are graphically descriptive.
- ▶ Home Science is the study of a number of descriptive areas that are interconnected, such as Home Economics, Human Development, Nutrition, Dietetics, Interior Decoration, Fashion Design, Apparel Design, Bioscience, Physical Sciences, and so on.
- ▶ Home Science, as a subject of specialization, draws its content from courses in both science and art. This is an interdisciplinary field that prepares young learners for two of life's most significant goals: caring for their home and family and preparing for a job or vocation.
