SCOPE
2025

Gyanmanjari Innovative University (GMIU)

Our Moto

दिव्यम् ददामि ते चक्षुः

(But you cannot see my cosmic form with these physical eyes of yours. Therefore, I grant you divine vision. Behold my majestic opulence !)

Vision of University

Gyanmanjari Innovative University is dedicated to producing world-class professionals capable of converting global challenges into opportunities through "Value Embedded Education." It achieves this by providing a comprehensive range of academic programs, services, facilities, and technologies aligned with the university's curricula, offering diverse learning opportunities. The goal is to prepare professionals who are not only employable but also capable of becoming employers themselves. Additionally, the university focuses on cultivating critical thinking, effective communication, and learning skills in students while promoting the values of ethical behavior, responsibility, and commitment.

Mission of University

At Gyanmanjari Innovative University, our commitment lies in the relentless pursuit of academic excellence and research in science, engineering, and technology. We achieve this through a dedicated approach to our responsibilities, innovative teaching methods, and a firm belief in human values. Our overarching goal is to foster the development of our students into exceptional professionals with high ethical standards, preparing them to confront the challenges of the next millennium. By instilling a sense of social responsibility, we aim to fulfill the expectations of our society, ensuring that our graduates emerge as resourceful citizens poised to contribute significantly to making the world a better place.

Gyanmanjari Institute of Management Studies (GIMS)

Vision of GIMS

The Vision of Gyanmanjari Institute of Management Studies (GIMS) at Gyanmanjari Innovative University (GMIU) is to equip Management students with the skills and knowledge needed to effectively lead and oversee organizations. They cover areas such as leadership, strategic planning, decision-making, and teamwork, fostering well-rounded professionals who can drive success in diverse industries. These courses prepare students for dynamic and challenging roles in today's business world.

Mission of GIMS

The Mission of the Gyanmanjari Institute of Management Studies (GIMS) at Gyanmanjari Innovative University (GMIU) aims to empower management students with skills for effective leadership and resource management. The mission is to nurture competent and ethical leaders capable of strategic thinking and informed decision-making. Courses focus on instilling adaptability and communication skills, preparing students for diverse industry roles. The ultimate goal is to empower individuals to drive innovation, enhance productivity, and contribute responsibly to organizational success.

About Management :

Management courses provide essential skills and knowledge for effective leadership and organizational success. They cover topics like strategic planning, team building, decision-making, and communication. These courses offer valuable insights into managing resources, handling challenges, and adapting to evolving business environments. They are vital for career advancement and fostering effective management practices.

Why Management ? :

- Ensures efficient use of resources.
- Enhances organizational productivity.
- Facilitates effective decision-making.
- Promotes goal achievement and success.
- Encourages teamwork and collaboration.
- Manages change and adapts to challenges.

Why Choose Management Program for Study ?

- Develops essential leadership skills.
- Provides a solid foundation for organizational success.
- Offers diverse career opportunities.
- Fosters critical thinking and problem-solving abilities.
- Equips with practical tools for effective decision-making.
- Prepares for dynamic challenges in the business world.

Demand for Management Courses:

The demand for management courses continues to surge as organizations seek skilled leaders. These courses equip students with essential skills in leadership, strategy, and problem-solving. In an evolving job market, management education is valued for its adaptability, making graduates highly sought after across industries, and driving increased enrollment.

PROGRAM OUTCOME

Effective Leadership Skills :

Graduates will develop strong leadership abilities, enabling them to guide and inspire teams towards achieving organizational goals.

Strategic Decision-Making :

Students will gain proficiency in making informed and strategic decisions, equipping them to address complex business challenges.

Communication Proficiency :

The program hones communication skills, ensuring graduates can convey ideas clearly, and fostering collaboration in diverse professional settings.

Problem-Solving Expertise :

Graduates will excel in identifying and solving business problems, applying critical thinking and analytical skills to navigate various situations.

Global Business Awareness :

The curriculum instills an understanding of global business trends, preparing students to thrive in an interconnected and dynamic international landscape.

Ethical Decision-Making :

Emphasis is placed on ethical considerations, enabling graduates to make principled decisions that contribute to responsible and sustainable business practices.

Team Collaboration :

Students will cultivate effective teamwork skills, learning to collaborate with diverse individuals to achieve collective objectives.

Adaptability and Innovation :

The program fosters adaptability and innovation, empowering graduates to navigate change and contribute to the development of innovative solutions within organizations.

Project Management Competence :

Graduates will possess the skills to plan, execute, and oversee projects efficiently, meeting objectives within specified time lines and budgets.

Entrepreneurial Mindset :

The curriculum encourages an entrepreneurial mind set, equipping students with the skills and mindset to identify opportunities and drive business innovation.

MENTOR MENTEE MEET

Our institution offers comprehensive mentor-mentee services designed to empower individuals at every stage of their professional journey. Through personalized matching, we connect mentees with experienced mentors who provide guidance, support, and industry insights. Our structured programs foster meaningful relationships, enhancing skill development, goal attainment, and career advancement.

We prioritize diversity and inclusion, ensuring equitable access to mentorship opportunities for all. With tailored resources, workshops, and networking events, we create a collaborative environment conducive to growth and learning. Our mentor-mentee services are a cornerstone of our commitment to cultivating talent, promoting leadership, and driving organizational success.

Heritage Tour

Role of Management :

Management courses equip individuals with essential skills and knowledge to excel in leadership roles. They cover topics such as organizational strategy, effective communication, decision-making, and team management. These courses enhance problem-solving abilities, promote efficient resource utilization, and prepare professionals to adapt to dynamic business environments, fostering career growth and success.

Key Skills :

- **Management programs cover essential skills :** Strategic planning, decision-making, communication, problem-solving, team management, conflict resolution, financial acumen, and adaptability.
- **Focus on ethical leadership :** These programs emphasize ethical principles and cultivate qualities essential for ethical leadership.
- **Innovation is a key emphasis :** Management courses recognize the importance of innovation and aim to develop innovative thinking skills.
- **Navigating a dynamic business landscape :** The programs equip individuals with skills to navigate changes in the business environment and foster adaptability to a dynamic business landscape.
- **Overall goal :** Management programs aim to equip individuals with the necessary tools for effective leadership and contribute to organizational success.

Top Companies Hiring Management Students :

TATA CONSULTANCY SERVICES		ICICI BANK	
INFOSYS		AXIS BANK	
WIPRO		ADITYA BIRLA GROUP	
RELIANCE INDUSTRIES LIMITED		MAHINDRA & MAHINDRA	
HINDUSTAN UNILEVER LIMITED		ITC LIMITED	

Important Management Skills:

Management courses provide essential skills for effective leadership. They teach strategic planning, decision-making, and problem-solving, enabling managers to navigate complex business environments. Communication skills help convey ideas clearly, fostering teamwork. Financial acumen aids budgeting and resource allocation. Time management ensures efficiency, while adaptability fosters resilience in dynamic industries.

Life of Management Graduates :

- **Education and Skill Development :** Management graduates typically undergo rigorous academic training during their programs, which often include coursework in areas such as finance, marketing, human resources, and operations management. They also develop crucial skills such as problem-solving, decision-making, leadership, and communication.
- **Career Opportunities :** Management graduates have a wide range of career opportunities available to them. They can work in various industries, including finance, healthcare, technology, and manufacturing, and can pursue roles such as project managers, consultants, marketing managers, financial analysts, or entrepreneurs.
- **Networking :** Building a strong professional network is essential for management graduates. They often have opportunities to network with professors, classmates, alumni, and industry professionals during their studies and through alumni associations. Networking can open doors to job opportunities and career advancement.
- **Work-Life Balance :** Achieving a work-life balance can be challenging in the early stages of a management career, especially when taking on roles with high responsibilities or working in competitive industries. Management graduates often need to learn effective time management and stress-coping strategies to maintain a healthy balance.
- **Continuous Learning :** The business world is constantly evolving, with new technologies, trends, and market dynamics. Management graduates must commit to lifelong learning to stay relevant and competitive in their careers. This may involve pursuing additional certifications, attending workshops, or enrolling in advanced degree programs like MBAs.

Sector wise current salary trend:

The salary scope for management graduates varies widely depending on factors like industry, experience, and location. Entry-level positions often offer competitive salaries, with potential for rapid growth. With several years of experience and a strong skill set, management graduates can command significantly higher salaries, sometimes reaching six figures or more.

IT Services	₹ 4 L - 15 L/Annum (Approx)	Media, Entertainment and Telecommunications	₹ 4 L - 15 L/Annum (Approx)
BFSI	₹ 2.5 L - 12 L/Annum (Approx)	Health care and Life Sciences	₹ 2.5 L - 12 L/Annum (Approx)
BPM	₹ 2 L - 10 L/Annum (Approx)	Consumer, Retail and Hospitality	₹ 2 L - 10 L/Annum (Approx)
Technology	₹ 3 L - 15 L/Annum (Approx)	Infrastructure, Transport and Real-Estate	₹ 3 L - 15 L/Annum (Approx)

Top Companies Hiring Management Students : In India, top companies actively hiring management students include Tata Consultancy Services (TCS), Reliance Industries, and HDFC Bank and many more. In Gujarat, leading firms such as Adani Group and many more companies offer opportunities. Bhavnagar, a growing industrial hub, is seeking management talent.

Importance of Management Graduates In Top Companies :

- Management graduates are indispensable to top companies, leveraging their expertise in leadership, financial analysis, and project management to enhance organizational efficiency and strategy development.
- Their adaptability to dynamic market conditions and ability to foster innovation make them invaluable assets in sustaining growth for companies.
- With skills in decision-making and team management, management graduates play a pivotal role in achieving corporate objectives.
- Their contribution ensures competitiveness in the ever-evolving business landscape.
- Overall, management graduates are key drivers of success, guiding companies through challenges and supporting their continual development.

Why Marketing, HR, Finance creates more Employment:

- Marketing, human resources, finance, and related industries are pivotal for business success, creating substantial employment by driving product demand, managing personnel, and handling financial operations.
- These industries generate diverse job opportunities through roles in advertising, research, recruitment, training, accounting, investment, and financial planning.
- The constant adaptation to market changes and technology ensures a dynamic job market within these sectors.

Management after Bachelor's Degree :

After completing a Bachelor's degree, individuals typically pursue various management opportunities. They can seek entry-level positions in areas such as marketing, finance, human resources, or operations, gaining practical experience and gradually advancing into managerial roles. Many also opt for further education, like a Master's in Business Administration (MBA), to enhance their qualifications and accelerate their career progression. Thus, continuous learning, networking, and developing leadership skills are crucial for successful management careers.

Opportunities For Studying Abroad :

Studying abroad offers management students invaluable opportunities to gain a global perspective, enhance cultural competence, and broaden their professional networks. Renowned business schools in countries like the US, UK, Australia, and Canada offer diverse management programs. Scholarships, exchange programs, and internships make it financially viable. Exposure to different business environments, international faculty, and access to cutting-edge research contribute to a well-rounded education. Moreover, it fosters personal growth and opens doors to international career prospects, making it a rewarding investment in one's future.

Pre-Placement Requirement :

- **Management students must meet pre-placement requirements, including maintaining a specified GPA, engaging in relevant extracurricular activities, and developing strong communication and teamwork skills.**
- **Professional development through resume preparation, career counseling, mock interviews, and networking events is crucial for enhancing job readiness.**
- **The combination of academic qualifications and interpersonal skills ensures competitiveness in the job market for management graduates.**
- **Participation in career-related activities such as mock interviews and networking events is essential to meet pre-placement prerequisites.**
- **A well-crafted resume and active engagement in career development activities contribute to the overall preparation of management students for successful job placement.**

Campus Drive @ GMIU:

The campus drive at GMIU is a dynamic event that serves as a bridge between academia and industry. It typically involves companies visiting the university to recruit students for internships and full-time positions. These drives provide students valuable exposure to real world career opportunities and help them network with potential employers. Simultaneously, companies benefit by identifying and hiring promising talent. Campus drives are a crucial component of a university and the students.

Skill Development Programs :

Skill development programs at GMIU for management students play a pivotal role in shaping future business leaders. These programs encompass a diverse range of competencies, from leadership and communication to data analysis and strategic thinking. Through workshops, simulations, and real-world projects, students acquire practical skills that enhance their employability. These programs bridge the gap between theory and practice, preparing students to contribute effectively to Businesses success.

Workshop:

Workshops for management students at GMIU offers practical insights into leadership, decision-making, and organizational skills. Through interactive sessions, case studies, and group activities, students develop critical thinking, problem-solving abilities, and teamwork thus bridging the gap between theory and real-world application.

Expert Lectures:

Expert Lectures at GMIU for management students covers a diverse range of topics, from leadership and organizational behavior to strategic planning and marketing. These lectures aim to enhance critical thinking, problem-solving skills, and decision making abilities. Guest speakers from the industry often provide real-world insights, fostering practical knowledge application.

Industrial Visit:

Industrial visits are invaluable for management students. Industrial trips at GMIU provide practical insights into organizational operations, management practices, and real-world challenges. Students gain first hand exposure to production processes, supply chain management, and corporate culture, enhancing their theoretical knowledge. These experiences foster a holistic understanding of business and prepare students for future leadership roles.

Industrial Training :

Industrial training for management students is a crucial component of their education. Through Industrial training GMIU offers real-world exposure to organizational dynamics, strategic decision-making, and leadership skills. During this period, students gain practical insights, enhance problem-solving abilities, and develop a deeper understanding of industry operations. This hands-on experience prepares them for successful managerial roles post-graduation.

Campus Facilities:

MODERN ARCHITECTURE

SERENE LIBRARY

COMPUTER LAB

The campus facilities for management students at GMIU are state-of-the-art, offering a conducive environment for learning and growth. These include modern classrooms, well-equipped computer labs, a comprehensive library, dedicated study areas, a cafeteria, and spacious auditoriums for seminars and presentations. These resources enhance the overall educational experience.

Cultural Events

Cultural events play a crucial role in shaping well-rounded management students. Events at GMIU foster diversity, teamwork, and leadership skills. They provide a platform for students to explore and appreciate various cultures, enhancing their global perspective. Organizing and participating in cultural events also hones project management and organizational abilities, vital in the business world.

Sports Event:

Sports events at GMIU provide valuable insights for management students. They exemplify teamwork, leadership, and strategic planning, showcasing how organizations coordinate diverse talents for success. These events involve marketing, budgeting, logistics, and risk management, offering real-world lessons in project management. Analyzing sports management can yield insights applicable to various industries.

Active Learning Activities (ALA):

Active Learning Activities (ALA) engage students in hands-on, participatory experiences to enhance comprehension and retention. These activities promote critical thinking, collaboration, and application of knowledge, fostering a dynamic learning environment.

New Education policy followed by GMIU:

- **Comprehensive Transformation** : NEP 2020 is an extensive overhaul of India's education system, replacing the 1986 policy, with a focus on holistic development.
- **Flexibility and Multilingualism** : The policy promotes flexibility in subject choice, multilingual instruction, and a competency-based learning approach.
- **Technology Integration and Teacher Training** : NEP advocates for technology integration in education, teacher professional development, and continuous training.
- **Higher Education Reforms and Inclusion** : The policy introduces changes in higher education, emphasizes research and innovation, and aims to address issues of equity and inclusion.
- **Dual Degree program / Integrated course** : GMIU offers a Dual Degree program, for those who are interested in twice specializations or Degrees, we are provided a dual degree program where students can get the degrees at the same time in a given time.

CULTURAL ACTIVITY @GMIU

Raasmanjari

"Raasmanajri" is an annual event of GMIU. As we know Navratri is the one of the favorite festival of Gujarati. So every year During the navratri one day we GMIU family celebrate this holy festival together. Our trustees and Management are also being part of this celebration. We do Aarti and prayer of "Ma Amba" together. The thali decoration was also the part of the celebration.

Kalamanjari

"Kalamanajri" is an annual event of GMIU. The festival celebrated the rich heritage of kala, featuring performances by local artists. Our trustees and Management are also being part of this celebration.

FACULTY DEVELOPMENT PROGRAM

FDP (faculty Development program)

faculties have the most important role to play in shaping the engineering student's career and unarguably an institution having the best faculties who are skilled in latest technologies will top the charts in coming years. Every saturday GMIU conducts FDP for Faculties so that can learn something new.

SOCIAL ACTIVITIES

PROFESSIONAL CHAPTER

Institution of Engineers (India) (IEI)

The Institution of Engineers (India) [IEI] is a statutory body to promote and advance the engineering and technology, established in 1920 and incorporated by Royal Charter in 1935. It is the largest multi disciplinary professional body of engineers encompassing 15 (Fifteen) engineering disciplines with a membership of more than 820 thousand, and serving the nation for more than 9 decades.

Centre for Entrepreneurship Development (CED)

The center for Entrepreneurship Development (CED) is a premier Organization of Government of Gujarat engaged in Entrepreneurship Development Training since 1979 and Skill Development since 2009. Concept behind CED is to develop entrepreneurs in the urban as well as rural areas of the state, who can establish their own Enterprise (Trading/Service/Manufacturing) which in turn aids in Economic growth of the state and also creates employment opportunities for others.

National Programme on Technology Enhanced Learning (NPTEL)

The National Programme on Technology Enhanced Learning (NPTEL) was initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore in 2003.

Celebrity @ GMIU

One of the special occasion that the famous Gujarati actor Mr. Malhar Thakkar came to our campus for the promotion of his upcoming Gujarati film named "Shubh Yatra". Because of the presence of Malhar Thakkar the whole environment of the campus became more vibrant and Cheerful. as among the student and young fraternity Malhar is one of the inspiring and favorite Gujarati Film Actor. Same as another Gujarati Film actor Yash Soni has come to promote his upcoming film "RAADO". Recently the whole star cast of film "3 Ekka" which is going to be release on the 18th of August 2023.

TECHMANJARI@GMIU

Techmanjari 2024

A Techmanjari-2024 was organized by Gyanmanjari innovative University, Bhavnagar. Where more than 25 innovative projects were displayed in GMIU. Branch wise selection of best projects was done by the delegates invited to judge.

Joy of Giving @ GMIU

To endow with holistic education is prime motto of Gyanmanjari Group of Colleges. GMGC not only provides momentous education, an extraordinary result & industry ready engineers but also meticulous human values in students to make them responsible for society.

Being a part of this theme students collected unused cloths and stationary from various places of Bhavnagar and donated them to needy people of society. Large numbers of students have been participated for the collection and distribution of cloths and stationary. The event was popularize as a "Joy of Giving", so students can understand their responsibility towards society and nation

A spiritual meditation program was organized under the Faculty Development Program to bring calmness and peace of mind of staff members during Covid restriction. Many faculties have been working from home during this pandemic situation so to enhance their mental and physical health condition GMGC has organized spiritual mediation program with association of Bramha-Kumari meditation Center, Bhavnagar.
