Gyanmanjari Innovative University (GMIU)

Our Moto

दिव्यम् ददामि ते चक्षुः

(But you cannot see my cosmic form with these physical eyes of yours. Therefore, I grant you divine vision. Behold my majestic opulence !)

Vision of University

Gyanmanjari Innovative University is dedicated to producing world-class professionals capable of converting global challenges into opportunities through "Value Embedded Education." It achieves this by providing a comprehensive range of academic programs, services, facilities, and technologies aligned with the university's curricula, offering diverse learning opportunities. The goal is to prepare professionals who are not only employable but also capable of becoming employers themselves. Additionally, the university focuses on cultivating critical thinking, effective communication, and learning skills in students while promoting the values of ethical behavior, responsibility, and commitment.

Mission of University

At Gyanmanjari Innovative University, our commitment lies in the relentless pursuit of academic excellence and research in science, engineering, and technology. We achieve this through a dedicated approach to our responsibilities, innovative teaching methods, and a firm belief in human values. Our overarching goal is to foster the development of our students into exceptional professionals with high ethical standards, preparing them to confront the challenges of the next millennium. By instilling a sense of social responsibility, we aim to fulfill the expectations of our society, ensuring that our graduates emerge as resourceful citizens poised to contribute significantly to making the world a better place.

Communication skill enhancement activity for BCA Genius and MCA students. Enhancing communication skills is vital for effective expression and understanding in both personal and professional settings. It fosters clear, confident interactions, improving teamwork and leadership abilities.

TECHMANJARI – 2024

Techmanjari is a flagship technical event celebrated at Gyanmanjari Innovative University, where students from across the university showcase their innovative projects. This event serves as a platform for students to demonstrate their technical skills and creativity to school students, other college students, and the general public of Bhavnagar city. Through interactive exhibits and presentations, participants engage with a diverse audience, sharing knowledge and inspiring others with their projects. Techmanjari not only fosters a culture of innovation within the university but also promotes community engagement and knowledge-sharing among students and the public alike.

YOUTHFEST

YouthFest is an flagship event that celebrates the talents, creativity, and energy of young people. It typically includes a variety of activities such as competitions, performances, workshops, and more, designed to showcase the skills and abilities of youth in different areas such as arts, entrepreneurship, and academics. YouthFest provides a platform for Bhavnagar's college students to come together, share their talents, learn from each other, and have fun.

MOU

Gyanmanjari College of Computer Application has established Memorandums of Understanding (MOUs) with several prominent IT companies, fostering collaborations aimed at enhancing students' academic and professional development. Through these partnerships, students gain access to internships, training programs, and placement opportunities. These MOUs serve as a bridge between academia and industry, ensuring that the curriculum remains relevant to current industry trends and practices. Additionally, students benefit from exposure to real-world projects and networking opportunities, ultimately enhancing their employability and career prospects in the IT sector.
