GATE JAM-2025 Awareness Seminar by IIT Bombay Ambassadors

Date: 06/10/2025

Time: 2:00 PM TO 4:00

Venue : GF-28 GMIU

No. of Student	3
Department	Electrical Engineering
Discipline	Degree
Semester	5th
Faculty Co-Ordinator	Prof. Rahul Parmar

Introduction

The Department of Electrical and EC Engineering organized a GATE JAM-2025 Awareness Seminar on 6th October 2025 under the Training and Placement Activity (TPA). The session aimed to guide students regarding the Graduate Aptitude Test in Engineering (GATE) and Joint Admission Test for Masters (JAM), providing them with insights into career opportunities in higher education and research through these national-level examinations.

About the Session

The session was conducted by Ms. Sneha Ghosh and Ms. Keertana Nair, Ambassadors from IIT-Bombay. They shared valuable information about exam patterns, eligibility criteria, preparation strategies, and the importance of GATE and JAM scores for admission into IITs, NITs, and IISc.

The speakers also emphasized opportunities in Public Sector Undertakings (PSUs) and research fellowships available through GATE qualifications. Students from different streams of B.Tech, B.Sc, and M.Sc actively participated and interacted with the ambassadors during the Q&A session.

Objective

- To create awareness about GATE and JAM examinations among final and pre-final year students.
- To guide students regarding syllabus, preparation strategies, and benefits of qualifying these exams.
- To motivate students for pursuing higher education and research opportunities in premier institutions.

Outcomes

- Students gained clarity about the structure and benefits of the GATE and JAM exams.
- Enhanced understanding of preparation strategies, time management, and resource selection.
- Increased motivation among students to participate in competitive exams for academic and professional growth.

Conclusion

The GATE JAM-2025 Awareness Seminar proved to be highly informative and beneficial for students. The guidance provided by IIT-Bombay ambassadors encouraged participants to set clear academic and career goals. The Department extends sincere gratitude to Prof. Rahul Parmar, TPA Coordinator, for successfully organizing this insightful seminar.
