Objective of Talk

World Entrepreneurs' Day is celebrated globally on **21st August** to honor innovation, leadership, and entrepreneurial spirit. Gyanmanjari University organized this event with the active participation of **Diploma students** from various disciplines. The program aimed to promote awareness about entrepreneurship and encourage students to develop creative ideas and skills for becoming future leaders.

- To create awareness about the importance of entrepreneurship in the modern economy.
 - To inspire students with real-life success stories of entrepreneurs.
 - To promote innovation, creativity, and self-employment mindset among students.
 - To provide a platform for students to showcase their entrepreneurial ideas.
-

Guest Speaker:

The program was graced by **Dr. Vimal Jagad** from **Centre for Entrepreneurship Development (CED), Bhavnagar**), who shared his valuable insights and experiences about entrepreneurship, innovation, and startup culture.

About the Activity:

The program began with a welcome speech by the faculty coordinator, highlighting the significance of World Entrepreneurs' Day. Several activities were conducted including:

- **Expert Talk / Guest Session:** Eminent entrepreneurs shared their journey, challenges, and strategies for success.
- **Student Participation:** Degree students presented innovative business ideas, models, and start-up concepts.
- **Interactive Session:** Students interacted with experts to clear doubts regarding funding, business planning, and execution.
- **Entrepreneurship Quiz/Presentation:** To engage students in learning entrepreneurial concepts in an interactive way.

Outcome of the Program:

- Students gained knowledge about real-world entrepreneurial challenges and opportunities.
- Enhanced confidence and motivation to think innovatively and independently.
- Exposure to the process of converting an idea into a startup or business venture.
- Strengthened entrepreneurial ecosystem within the university.

Conclusion:

The celebration of World Entrepreneurs' Day at Gyanmanjari University was a grand success. It inspired the Degree students to think beyond conventional career paths and to focus on innovation, leadership, and entrepreneurship. The event contributed significantly to building a strong foundation for future entrepreneurs among the students.
