“Enhancing Communication Skills for Professional Growth”

Date: 22/09/2025

Time: 12:15 PM to 1:15 PM

Venue : FF-13

No. of Student	05
Department	Electrical & EC Engineering
Discipline	Degree
Semester	3 rd & 5 th
Faculty Co-Ordinator	Prof. Jaydipsinh Parmar Prof. Bhavesh Tukadiya

Introduction

Under the Training & Placement Cell Activity, an expert talk on “Enhancing Communication Skills for Professional Growth” was organized for Diploma and Degree Electrical & EC students. The session aimed to provide students with insights into the importance of communication skills in academic, professional, and personal growth.

Objective

□ The objective of the expert talk on ***“Enhancing Communication Skills for Professional Growth”*** was to:

Provide students with an understanding of the importance of effective communication in academic, professional, and personal life.

1. Develop students’ verbal and non-verbal communication skills, including clarity, confidence, and body language.
2. Enhance students’ presentation and interpersonal skills to prepare them for professional environments and placement opportunities.
3. Motivate students to actively practice and apply effective communication techniques in their studies, interviews, and workplace interactions.

About Activities:

The talk was delivered by Dr. Dhananjay Trivedi, who discussed various aspects of communication, including verbal and non-verbal communication, active listening, presentation skills, and confidence building. He also shared real-life examples and practical tips for improving communication effectiveness.

Outcomes

- Students gained practical knowledge about the functioning of a reputed company like Hitachi.
- The interaction motivated students to set clear career goals and work consistently towards them.
- It strengthened the bond between alumni and the institution, encouraging students to maintain lifelong connections.

Conclusion

The expert talk by Dr. Dhananjay Trivedi was highly informative and interactive. Students actively participated and benefited from the valuable insights shared. The Training & Placement Cell expressed gratitude to the speaker and encouraged students to apply the knowledge gained for their personal and professional growth.
