Report on

Expert Talk

Date: 06/08/2026

Time: 08.00 AM TO 10.00 AM

Venue : Auditorium

No. of Student	120
Department	Commerce
Semester	All Semester
Faculty Co-Ordinator	Hastpalisnh Chudasama

About the Activity

An Expert Talk was organized by the Commerce Department to provide students with practical knowledge and professional guidance regarding career opportunities in Chartered Accountancy and the finance and accounting profession. The session was conducted by **CA Mahek Desai**, who shared valuable insights into the CA profession, professional skills, industry expectations, career opportunities, and practical aspects of professional life.

The session aimed to bridge the gap between academic learning and professional requirements by providing students with real-world insights and guidance from a practicing professional.

Objectives of the Activity

To provide students with awareness about career opportunities in Chartered Accountancy.

- To familiarize students with the professional CA environment and career pathways.
- To develop awareness of the skills required by the finance and accounting industry.
- To provide practical insights into professional expectations and workplace requirements.
- To motivate students towards professional qualifications and career development in accounting and finance.

About the Session

The session began with an introduction to the Chartered Accountancy profession and its importance in the field of commerce, accounting, and finance. **CA Mahek Desai** shared her professional experience and provided students with valuable guidance regarding career opportunities, professional growth, and the skills required to succeed in the profession.

The expert discussed the importance of technical knowledge, communication skills, analytical thinking, professional ethics, time management, and continuous learning. Students were also given practical insights into industry expectations and the professional responsibilities associated with the CA profession.

The session was highly interactive, with students actively participating in the discussion and asking questions related to career planning, professional qualifications, skill development, and opportunities in the finance and accounting sector. CA Mahek Desai addressed the students' queries and guided them based on her professional experience.
