Industrial visit Gallery

Purpose of Visit

- **Industrial visits are important for the following Reasons:**
 - To get the knowledge of the Industrial process to gain a practical knowledge of the actual working of the Market.
 - In order to achieve the above mentioned objectives we had organized at Parle G visit for 1st sem BCA Students.

What We Learn?

The industrial tour was the interface between the college life and the corporate world. All those who attended experienced the moment. It was clear that all the basic and fundamental of each information and working methodology be learnt thoroughly. Our students learnt how technology works, what is the current platform and languages, upcoming facilities and helpline briefs. They told us what the need of Parle G products in current market.

Conclusion

The experience of this tour was really fantastic and unforgettable it was reverberating experience which cherished all of us Students got valuable information from science tour.

*THANK
YOU*
