Industrial Visit

The Department of Electrical Engineering has organised an industry visit at SCADA WORKSHOP & FILTER PLANT - TAKHTESHWAR for diploma engineering students of the 2nd, 4th & 6th semester. It was organised on March 6th, 2024 (Wednesday). This industrial visit is very helpful to students in their future practical lives and brings about a positive change in their thinking and practical behavior regarding education and specializing their technical skills. Under the guidance of Prof. Prof. Manoj Tukadiya, Prof. Bhavik Vaghela and Prof. Dhanush Khasiya, students gained much knowledge and were inspired.
