## Objective of Visit

---

The industrial visit to Aawadkrupa Industries & Aawadkrupa Plastomech Pvt. Ltd. provides students with practical exposure to the manufacturing of plastic extrusion plants and rope-making machinery. Established in 1996, the company offers insight into modern production processes, turnkey project execution, quality control, and industrial safety. Being ISO 9001:2008 and CE certified, the visit helps students understand real-world applications of engineering concepts, industrial standards, and professional manufacturing practices.
