Report on

Industrial Visit – ODOO, Gandhinagar

Date: 06/03/26

Venue: Odoo Campus

No. of Student	60+
Department	Computer Application
Semester	BCA 2 nd
Faculty Co-Ordinator	Prof. Sanjay Lalwani Prof. Nikita Parmar

Overview of the Industry

Odoo is a globally recognized **Enterprise Resource Planning (ERP) software company** that provides integrated business applications to manage different business operations such as accounting, inventory, human resources, CRM, and e-commerce.

The company was founded in **2005 by Fabien Pinckaers** and is headquartered in **Louvain-la-Neuve**. Odoo has expanded worldwide with multiple offices, including its development center located in **Gandhinagar, India**.

Odoo provides **open-source ERP solutions** that are widely used by small, medium, and large enterprises. The company offers more than **30 core business applications** that help organizations streamline their workflow and improve productivity.

During the visit, students learned about:

- The **working environment of an IT company**
- Introduction to **ERP systems**

- Overview of **software development and business management tools**
- The importance of **innovation and teamwork in the IT industry**

The industrial visit helped students understand how academic knowledge can be applied in real-world software development and business solutions.

Purpose of the Industrial Visit

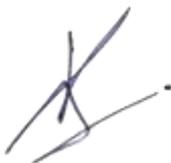

The main objectives of organizing the industrial visit were:

- To provide students with **practical exposure to the IT industry**.
- To help students understand the **working culture of a software company**.
- To introduce students to **ERP systems and business management software**.
- To bridge the gap between **theoretical knowledge and practical implementation**.
- To motivate students to explore **career opportunities in the IT sector**.

Activities Conducted During the Visit

During the industrial visit, the following activities were organized:

- **Introduction Session:**
Students were introduced to the company, its history, and global presence.
- **Presentation on Odoo ERP:**
The company representatives explained the features and modules of the Odoo ERP system.
- **Company Culture and Work Environment:**
Students learned about the company's innovative work culture and employee-friendly environment.
- **Career Opportunities Discussion:**
Information about internships, job roles, and career paths in the software industry was shared.
