Managerial Skill Enhancement Activity

(For B.Sc -5, M.Sc -1&3)

Managerial skills can be defined as certain abilities that a manager/executive should possess in order to fulfill specific tasks in an organization. From the very beginning of the development of management thought, both management practitioners and researchers have emphasized different skills for managers.

This professional career guidance lecture have been taken in B.Sc and M.Sc semesters on 24/08/2023 about 60 students were present in this lecture.
