Report on

LinkedIn Profile Creation

Date : 09/09/2025
Time : 12:00 PM to 01:00 PM
Venue : TF-22 [B]

No. of Student	16
Department	Computer Engineering
Course	B.TECH.
Semester & Branch	1 st CSE
Class	Premium
Faculty Co-ordinators	[1]. Prof. Mayank K. Champaneri [2]. Prof. Ayush V. Patel

About Activity

Activity Title: LinkedIn Profile Creation

Expert: Prof. Mayank K. Champaneri

Designation: T&P Coordinator

The LinkedIn Profile Creation Activity was conducted for **B.Tech Sem-1** students of **CSE** branch of class-**Premium**, led by **Prof. Mayank K. Champaneri**, to help them build a strong professional identity in the digital world. The session focused on guiding students to create and optimize their LinkedIn profiles, emphasizing the importance of a well-structured headline, summary, skills, achievements, and networking.

Students learned how to showcase their academic projects, certifications, and technical expertise effectively to attract potential employers and industry professionals. This activity aimed to enhance their career readiness, improve online presence, and build a foundation for future job opportunities, internships, and professional connections.

Objective

The main objective of the session is to equip **B.Tech Sem-1** students of **CSE** branch of class-**Premium** with the essential skills to create and optimize their LinkedIn profiles, ensuring a strong professional online presence. This session aims to help students understand the importance of personal branding, professional networking, and career-building through LinkedIn.

By participating in this activity, students will learn to highlight their academic achievements, skills, projects, and certifications effectively, making them more visible to potential employers and industry professionals.

This initiative encourages students to develop a professional mindset, expand their industry connections, and explore future career opportunities at an early stage.

About Session

The LinkedIn Profile Creation Activity Session conducted to help them build a strong professional identity in the digital era.

The session focused on creating and optimizing LinkedIn profiles, guiding students on how to effectively showcase their skills, academic achievements, projects, and certifications.

Students learned the importance of networking, personal branding, and career-building through LinkedIn, gaining insights into how a well-crafted profile can open doors to internships, job opportunities, and industry connections.

This activity aimed to enhance students' employability, encourage proactive career planning, and prepare them for the professional world.
