Venue : GF-13

No. of Student	24
Department	Electrical / EC Engineering
Discipline	Diploma
Semester	3 rd & 5 th
Faculty Co-Ordinator	Prof. Rahul Parmar

Introduction

A Pre Placement Talk was organized under the Training and Placement Cell at Gyanmanjari Institute of Technology, Bhavnagar. The session aimed to prepare students for upcoming campus recruitment drives by providing valuable insights into placement processes, interview strategies, and industry expectations. The event was conducted under the guidance of Prof. Rahul Parmar and focused on helping students align their academic knowledge with professional requirements.

Objectives

- To familiarize students with the recruitment process and expectations of employers.
- To enhance students' understanding of interview preparation, resume building, and communication skills.
- To motivate students to develop technical and interpersonal competencies for successful placements.

About the Activity

During the session, Prof. Rahul Parmar explained the stages of campus recruitment, including aptitude tests, group discussions, and personal interviews. Real-life examples of placement experiences were shared to help students understand common challenges and effective ways to overcome them. Guidance was also given on how to prepare an impactful resume and how to present oneself confidently in interviews. The interactive nature of the talk encouraged students to clarify their doubts and actively participate in discussions.

Outcomes

- Students gained a better understanding of recruitment procedures and corporate expectations.
- They learned effective strategies for resume preparation and interview performance.
- The session boosted students' confidence and readiness for upcoming placement drives.

Conclusion

The Pre Placement Talk proved to be a highly beneficial initiative for final-year students. It equipped them with practical knowledge and confidence to face placement interviews. The event successfully bridged the gap between academic preparation and professional employment, encouraging students to work diligently toward their career goals.
