Engineer's Day Celebration_2025

Date: 15/09/2025
Time: 10:00 to 12:00 pm
Venue : SF- 33/TF-07

No. of Student	23
Department	Electrical /EC Engineering
Discipline	Degree / Diploma
Semester	1st
Faculty Co-Ordinator	Prof. Jaydipsinh Parmar Prof. Pankaj Chaudhary

Engineer's Day Celebration_2025

The Department of Electrical and Electronics & Communication Engineering at Gyanmanjari Innovative University **celebrated Engineer's Day on 15th September, 2025** with great enthusiasm. The celebration was organized to honor the legacy and contributions of engineers in shaping society and to encourage students to showcase their innovative ideas and technical skills.

As part of the activity, a **Poster & PPT presentation competition** was conducted on the topics **"Renewable Energy in Electrical Engineering"** and **"E-Waste Management."** The central theme of the event was **"Electrical Engineering & EC Technology in Past, Present, and Future."** Students actively participated by preparing creative posters that reflected technological growth in the past, present innovations, and futuristic possibilities in engineering.

The activity proved to be highly beneficial for the students as it enhanced their creativity, technical awareness, and presentation skills. It also encouraged them to think critically about issues like sustainable energy practices and responsible e-waste management, thus preparing them for future challenges as professional engineers.

The event was successfully organized under the valuable guidance of **Prof. Anish Vora (Director Training and Placement), Prof. Rahul Parmar (TPA Central In charge), Prof. Niti Gupta (HOD), Prof. Disha Sidhhpura (In charge HOD) of Department of Electrical/ EC Engineering.**

The department extends heartfelt thanks to the guiding faculty members and all supporting staff whose constant motivation and encouragement ensured the success of the celebration. Their support inspired students to participate with dedication and made the event a memorable and impactful learning experience.
