## Objective

---

Badminton is a game played on a rectangular court with a high net across the middle. The players try to score points by hitting a small object called a shuttlecock across the net using a racket. The workshop covered key aspects of graphic design, including:

- You can praise the players' skill and determination, and the spirit of sportsmanship they displayed. You can say that the event was an incredible experience that taught you valuable lessons, like the importance of dedication and teamwork
- You can describe the atmosphere as electrifying, with the crowd cheering for their favorites You can say that the tournament reinforced your love for badminton and your determination to improve.
- You can say that the participants and students showed a lot of enthusiasm for the event.

## About Event

---

- The Badminton Tournament held on 29/08/2025, was a highly anticipated event that brought together students from all departments at OTS. The event was scheduled to begin at 03:00 PM, attracting a total of 12 participants who showcased their skills and enthusiasm for the sport. The primary motive behind organizing the event was to provide participants with the opportunity to learn, demonstrate teamwork, and foster respect for one another. These qualities are essential not only in sports but also in various aspects of personal and professional life.
- The tournament itself was designed to be engaging and competitive, with players competing in singles category. Badminton, a fast-paced and dynamic sport, requires participants to be quick on their feet and have excellent hand-eye coordination. The goal of the event was not just to crown winners but to highlight the importance of sportsmanship and cooperation among the players. The friendly atmosphere encouraged participants to challenge themselves while also learning valuable life lessons such as handling victories with humility and accepting defeats gracefully.
- Prof. Suraj D. Gohil, the event coordinator, played a key role in ensuring that the tournament ran smoothly. Under her guidance, the event was organized with precision, offering a well-structured environment for the players to compete in. The tournament was held in the OTS, which provided an excellent venue with ample space for all the matches. The participants were grouped in a manner that allowed for fair competition, and the matches were conducted with utmost respect for the rules of the game.
