

Startup Club Policy

1. Introduction

The Gyanmanjari Startup and Entrepreneurship Cell (GMSEC) at Gyanmanjari Innovative University aims to foster a culture of innovation and entrepreneurship among students, faculty, and staff. The SEC will provide resources, mentorship, and support to budding entrepreneurs and startups, enabling them to transform their ideas into successful ventures.

2. Objectives

- To promote entrepreneurship and innovation within the university community.
- To provide a platform for students and faculty to develop and showcase their entrepreneurial skills.
- To facilitate networking and collaboration among entrepreneurs, industry experts, and investors.
- To offer resources and support for the development and growth of startups.
- To create an ecosystem that nurtures and sustains startups from ideation to commercialization.

3. Governance

The SEC will be governed by a committee comprising:

- **President:** Provost sir of GMIU.
- **Vice President:** Director, TPA
- **Secretary:** HoD of Startup and Entrepreneurship Cell
- **Faculty Coordinators:** Departmental startup co-coordinators
- **Student Representative:** Students from startup cell
- **Industry Experts:** Advisors from the industry to provide insights and mentorship.

4. Membership

Membership to the SEC is open to:

- **Students:** Any enrolled student of Gyanmanjari Innovative University.
- **Faculty and Staff:** Any faculty or staff member interested in entrepreneurship.
- **Alumni:** Graduates of the university who wish to contribute to the entrepreneurial ecosystem.

5. Activities and Programs

The SEC will organize a variety of activities and programs, including but not limited to:

- **Workshops and Seminars:** Regular sessions on entrepreneurship, innovation, business planning, and other relevant topics.
- **Startup Competitions:** Annual competitions to identify and reward promising startups and business ideas.
- **Mentorship Programs:** Connecting budding entrepreneurs with experienced mentors from the industry.
- **Networking Events:** Facilitating interactions between entrepreneurs, investors, and industry experts.
- **Incubation Support:** Providing resources such as office space, funding opportunities, and technical support for startups.

6. Resources and Support

The SEC will offer various resources and support to its members, including:

- **Funding Opportunities:** Information on grants, seed funding, and venture capital.
- **Technical Support:** Access to labs, workshops, and technical expertise.
- **Business Development:** Assistance with business planning, market research, and strategy development.
- **Legal and Compliance:** Guidance on legal aspects, intellectual property, and regulatory requirements.
- **Infrastructure:** Office space, meeting rooms, and other necessary infrastructure for startups.
