ABOUT GYANMANJARI INNOVATIVE UNIVERSITY

Introduction & Legacy

Gyanmanjari Innovative University (GMIU), located in the vibrant city of Bhavnagar, Gujarat, stands as a premier private university dedicated to redefining the landscape of higher education. Established in 2015, the university is founded on the principles of academic excellence, holistic development, and industry-oriented learning. GMIU has rapidly emerged as a top educational destination, deeply committed to bridging the gap between theoretical knowledge and global industry demands by providing an AI-enabled, modern, and student-centric learning environment.

Academic Ecosystem

GMIU boasts a highly diverse and comprehensive academic ecosystem, housing multiple specialized institutes under a single umbrella. These include the Institutes of Engineering & Technology (Diploma & Degree), Pharmacy, Science, Commerce, Management, Arts, Computer Application, Design, and Law. This multidisciplinary approach allows students to explore a wide array of career paths while benefiting from cross-disciplinary synergies. Currently, the university nurtures over 3,000+ students, guided by 300+ expert faculties across 208+ subjects and 65+ advanced laboratories.

Commitment to Excellence

By offering world-class infrastructure—including modern classrooms, Wi-Fi-enabled campuses, and an extensive library—Gyanmanjari Innovative University is not just imparting education; it is building the visionary leaders, innovators, and professionals of tomorrow.

History of Gyanmanjari Innovative University

Established in 2015 in Bhavnagar, Gujarat, Gyanmanjari Innovative University (GMIU) began with a visionary mandate to transform higher education through skill-driven and industry-aligned learning. Over the years, it has rapidly evolved into a premier multidisciplinary private university under the aegis of the Gyanmudra Education Foundation. By adopting a practical and innovative pedagogical approach, GMIU systematically transitioned away from traditional rote-learning paradigms. Today, it stands as a prominent hub of academic excellence, research, and innovation, continuously empowering students across diverse disciplines to meet global industrial demands.

MESSAGE FROM OUR VISIONARY LEADERS :-

At GMIU, our culture is driven by hard work, discipline, and a commitment to academic excellence. We believe in 'learning by doing'—connecting education directly to real-world challenges. Our focus is on holistic development, ensuring we produce mature, service-oriented professionals who do not just seek employment, but are capable of becoming employers themselves. Visit Gyanmanjari Innovative University and experience an education that brings out the best in you. ”

- Mr. Avinash Patel
President of Gyanmanjari Innovative University

Today, education is not limited to merely earning degrees; its true purpose is to develop Proficiency. Through an innovative and skill-driven approach, we are shifting the perspective of education from 'what do you know?' to 'what are you capable of doing?'. Our goal is not just to produce graduates, but to develop globally competitive professionals who are capable and confident enough to take on leadership roles from day one. ”

- Dr. H.M. Nimbark
Provost & CEO of Gyanmanjari Innovative University

VISION, MISSION & CORE VALUES

VISION

- **Empowering through Excellence:** To deliver value-embedded education and future-ready skills utilizing state-of-the-art learning environments.
- **Nurturing Ethical Professionals:** To cultivate innovative, ethical individuals capable of navigating and addressing complex global challenges.
- **Fostering Leadership & Innovation:** To shape students into dynamic researchers, industry leaders, and job creators who transform challenges into viable opportunities.

MISSION

- **Excellence in Pedagogy:** To provide dynamic, industry-aligned education through a pioneering, skill-driven approach, bridging the gap between theoretical knowledge and practical application.
- **Innovation & Global Integration:** To foster a vibrant ecosystem for research and startup incubation, while building strong strategic partnerships with leading industries to ensure high employability and global exposure.
- **Holistic Development:** To nurture ethical values, critical thinking, leadership qualities, and social responsibility across diverse multidisciplinary domains.

CORE VALUES

- **Innovation:** Fostering a dynamic culture of curiosity, out-of-the-box thinking, and creative problem-solving across all disciplines. We encourage students and faculty to challenge conventional boundaries, driving technological advancements and entrepreneurial ventures that address real-world challenges.
- **Integrity:** Upholding the highest standards of ethics, transparency, and academic honesty in every facet of education and institutional governance. We cultivate a principled environment where accountability, fairness, and moral responsibility guide all academic and administrative practices.
- **Excellence:** Continuously striving for superior benchmarks in teaching methodologies, pioneering research, state-of-the-art infrastructure, and overall student outcomes. We maintain an uncompromising dedication to quality, ensuring our academic programs meet global standards and produce highly competent professionals.
- **Student-Centricity:** Prioritizing practical skill development, personalized mentorship, and the holistic growth of every learner. By placing students at the core of our educational framework, we tailor learning experiences to nurture individual talents, build confidence, and ensure long-term professional success.

WHY CHOOSE GMIU?

Selecting the right educational institution is the foundation of a successful career. Gyanmanjari Innovative University (GMIU) distinguishes itself as a premier destination for higher education by seamlessly blending academic rigor, technological advancement, and real-world applicability. Here is what makes GMIU a preferred choice for future leaders:

Pioneering Pedagogy:

We have moved beyond traditional rote learning to implement a signature, skill-oriented approach. This 21st-century methodology integrates real-world case studies, hands-on laboratory sessions, and industry-driven curricula, ensuring students develop critical problem-solving capabilities rather than just theoretical knowledge.

Unmatched Placement & Employability:

GMIU bridges the gap between the campus and the corporate world through a highly proactive Training and Placement Cell. Operating with a robust and transparent recruitment process, we consistently achieve exceptional placement statistics—frequently reaching 98% to 100% in core disciplines—matching student competencies with the exact demands of top-tier industry recruiters.

Thriving Startup & Entrepreneurial Ecosystem:

Through our dedicated International Relations Cell, students gain a competitive edge on the global stage. GMIU actively cultivates strategic partnerships with foreign universities and international organizations, facilitating global connections, student exchange programs, and pathways for international academic progression.

Global Exposure & Strategic Collaborations:

Our technologically advanced campus is designed to facilitate immersive learning. GMIU features over 65 state-of-the-art laboratories, modern smart classrooms, a comprehensive digital and physical library, and a fully Wi-Fi-enabled campus, providing students with all the tools necessary for intensive research and development.

Choosing GMIU means investing in an ecosystem that prioritizes holistic growth, ethical leadership, and future-ready skills, empowering every student to navigate and shape the modern industrial landscape successfully.

FACULTIES & ACADEMIC PROGRAMS

Gyanmanjari Innovative University (GMIU) provides a comprehensive and multidisciplinary academic ecosystem designed to meet the evolving demands of the global industry. Our diverse curriculum offers structured pathways across Diploma, Undergraduate (UG), and Postgraduate (PG) levels, ensuring academic progression and professional excellence for over a thousand newly enrolled students every year.

DIPLOMA PROGRAMS (Engineering & Technology)

Our Diploma programs are crafted to provide strong foundational knowledge and early industry readiness through intensive practical training.

Branches Offered: Computer Engineering Civil Engineering Electrical Engineering Mechanical Engineering

Scale: Dedicated intake capacity of up to **120 seats** in high-demand branches like Computer Engineering, ensuring wide accessibility for technical aspirants.

UNDERGRADUATE (UG) PROGRAMS

The UG programs at GMIU emphasize the blending theoretical depth with real-world applications across various disciplines.

Engineering & Technology (B.Tech): Computer Engineering, Information Technology, Civil Engineering, and Mechanical Engineering.

Computer Applications & IT: Bachelor of Computer Applications (BCA) and B.Sc. IT.

Management & Commerce: Bachelor of Business Administration (BBA) and Bachelor of Commerce (B.Com).

Science & Pharmacy: Bachelor of Science (B.Sc.) and Bachelor of Pharmacy (B.Pharm).

Arts & Law: Bachelor of Arts (BA) and Bachelor of Laws (LLB).

POSTGRADUATE (PG) & DOCTORAL PROGRAMS

Our PG programs focus on advanced research, specialization, and leadership development.

Engineering & IT: M.Tech (Computer Engineering, Civil Engineering) and Master of Computer Applications (MCA).

Pharmacy: M.Pharm (Pharmaceutics, Pharmaceutical Quality Assurance).

Management & Commerce: Master of Business Administration (MBA) and Master of Commerce (M.Com).

Science & Arts: Master of Science (M.Sc.) and Master of Arts (MA).

Specialized Courses: Post Graduate Diploma in Medical Laboratory Technology (PGDMLT) and robust Ph.D. programs for research scholars.

MODERN & AI-ENABLED INFRASTRUCTURE

At Gyanmanjari Innovative University (GMIU), we firmly believe that a world-class education requires a world-class environment. Our campus is meticulously designed to support a modern, skill-driven educational approach, offering an AI-enabled, technologically advanced, and student-centric infrastructure. Every corner of the university is optimized to foster innovation, intensive research, and the holistic development of our students.

Smart & AI-Integrated Classrooms & Labs :-

Moving beyond traditional chalk-and-board teaching, GMIU features highly interactive modern classrooms. Equipped with the latest smart boards, advanced audio-visual aids, and AI-driven simulation tools, these classrooms are engineered for immersive learning. This setup perfectly complements our pedagogy, where theory and practical case studies are conducted simultaneously in the same space.

Premium Campus Amenities & Well-being :-

A supportive infrastructure extends beyond academics. GMIU prioritizes student well-being, health, and recreation by providing:

1. Hygienic Cafeteria: A vibrant space offering highly nutritious and diverse food options.
2. First-Aid & Medical Care: A dedicated health room equipped to handle immediate medical requirements.
3. Sports Facilities: A modern Box Cricket ground and sports arenas designed to promote physical fitness and teamwork.

Building the Future :-

GMIU's infrastructure is not just a collection of buildings; it is a dynamic, living ecosystem purposefully built to nurture the tech-leaders, researchers, and global professionals of tomorrow.

CENTERS OF EXCELLENCE: GMIU'S DEDICATED CELLS

Gyanmanjari Innovative University (GMIU) is committed to the 360-degree development of its students through its specialized institutional cells. These dedicated centers function as the backbone of the university's dynamic academic ecosystem, extending experiential learning far beyond the traditional classroom. By bridging core academics with cutting-edge research, global partnerships, entrepreneurial incubation, and corporate readiness, these structured cells ensure that every student is nurtured into a well-rounded, industry-ready professional capable of transforming modern challenges into global opportunities.

1. GM Research & Development Cell (GMRDC)

The GM Research & Development Cell is the driving force behind the university's academic innovation and sustainable growth. This cell provides vital infrastructure and resources for Ph.D. scholars, faculty members, and students to engage in high-impact research activities. By fostering an investigative mindset and supporting critical developmental projects, GMRDC ensures that cutting-edge ideas are continuously nurtured, transformed into intellectual property, and utilized to solve real-world socio-economic challenges.

2. GM Startup & Entrepreneurship Council (GMSEC)

Acting as a dynamic incubation center, GMSEC empowers students to transition from job seekers to job creators. Supported by state-level SSIP (Student Startup and Innovation Policy) initiatives, this cell provides aspiring entrepreneurs with comprehensive mentorship, technical resources, and early-stage validation. GMSEC actively helps students conceptualize, develop, and scale innovative business models, cultivating a thriving campus culture of entrepreneurial leadership and creative problem-solving.

3. International Relations Cell (IRC)

The International Relations Cell acts as GMIU's gateway to global academic exposure and cross-cultural exchange. It serves as the central coordinating body for all global initiatives, facilitating strategic collaborations with foreign universities and international organizations. Through the IRC, students gain access to international admission pathways, collaborative projects, and global exchange programs, equipping them with the broadened perspective necessary to compete and succeed in an interconnected global economy.

4. Training & Placement Cell

Dedicated to launching successful careers, the Training and Placement Cell acts as a vital bridge between GMIU students and top-tier corporate recruiters. The cell operates a robust, transparent, and highly effective placement process tailored to match individual skill sets with exact industry demands. By organizing rigorous employability training, mock interviews, and major campus recruitment drives, it consistently achieves exceptional placement records (frequently hitting 98%-100% in core branches), ensuring a seamless transition from campus to corporate life.

SCHOLARSHIPS & FINANCIAL ASSISTANCE

At Gyanmanjari Innovative University (GMIU), we believe that financial constraints should never become a barrier to quality education. We are deeply committed to recognizing academic excellence and supporting deserving students from all socio-economic backgrounds. To ensure equal opportunities for higher education, the university offers a robust framework of institutional support, government scholarships, and flexible financial assistance programs.

1. Government Scholarships

GMIU actively facilitates various state and central government scholarship schemes to provide significant financial relief to eligible students.

- **MYSY (Mukhyamantri Yuva Swavalamban Yojana):**

A highly beneficial initiative by the Government of Gujarat offering financial assistance to economically weaker students domiciled in the state.

ELIGIBILITY

Students who have secured **80+ Percentile** in their 10th / 12th board examinations and have a total family income of less than **Rs. 6 Lakhs per annum**.

- **NSA (National Scholarship Portal):**

A centralized platform by the Government of India providing various central government scholarships, with a special focus on supporting students from minority communities.

2. Institutional Scholarships (Merit & Category-Based)

GMIU offers internal, merit-based, and category-based scholarships to reward academic brilliance and support deserving talent across all disciplines.

Value-Added Benefit: Meritorious students can avail themselves of special scholarships that include free access to high-demand, industry-recognized certificate programs. This unique initiative ensures that students become fully job-ready alongside their core degree programs.

3. Flexible Fee Payment (EMI Options)

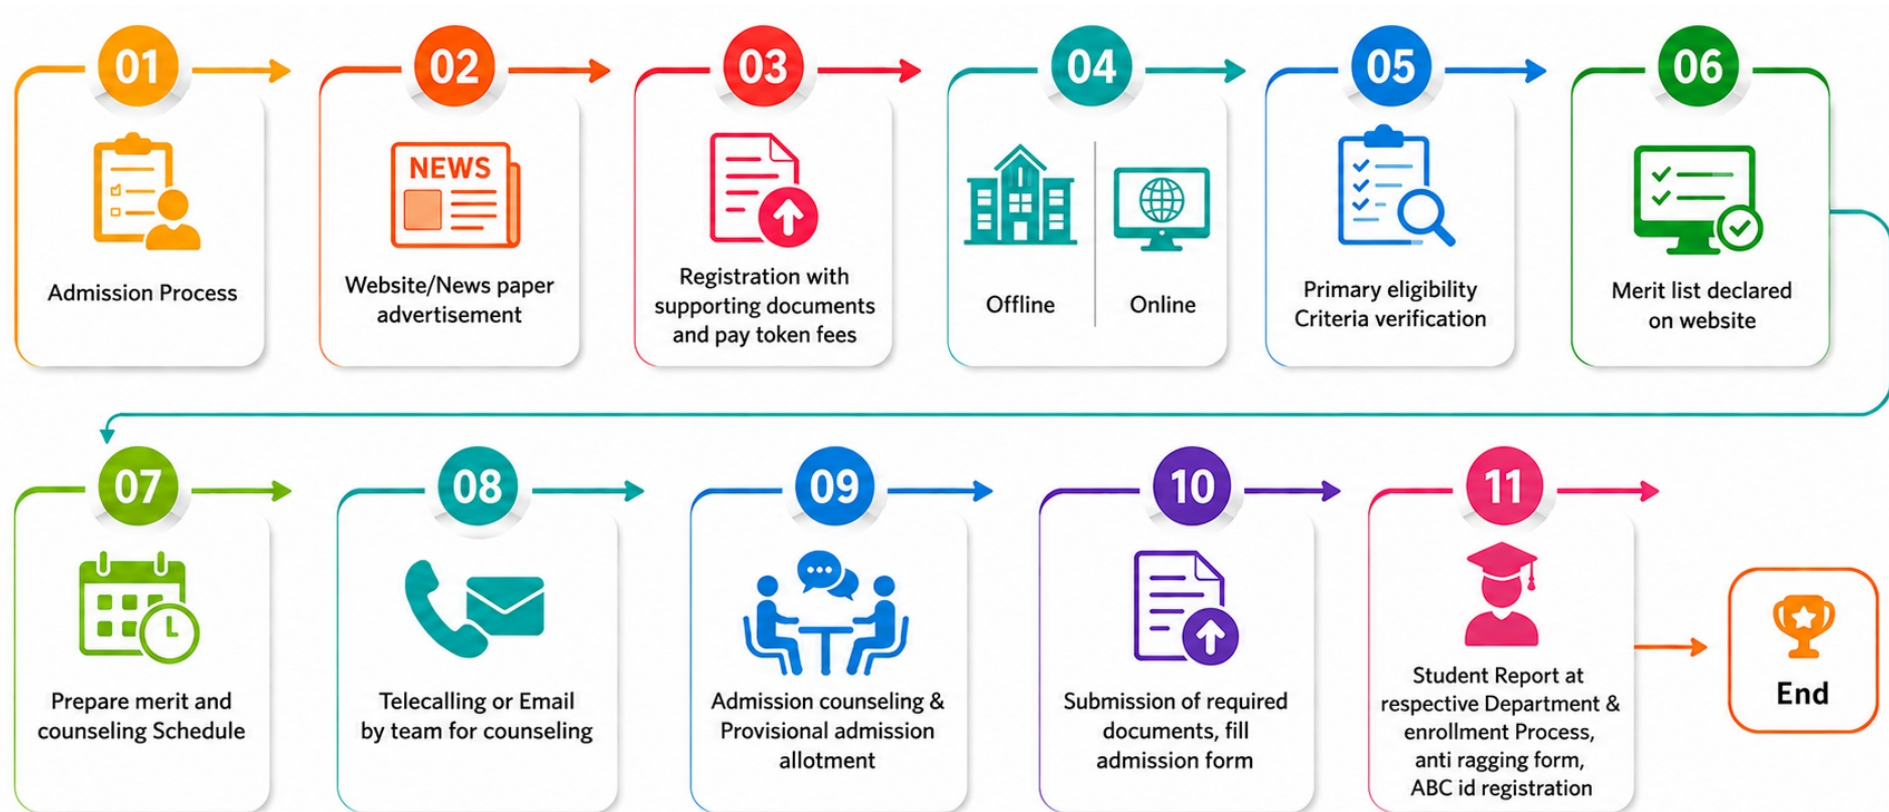

Understanding the financial planning needs of parents and students, GMIU has partnered with leading financial institutions like GrayQuest. This facility allows students to convert their annual university fees into easy, hassle-free, and manageable monthly installments (EMIs), reducing the immediate financial burden.

4. Education Bank Loans

To further ease the financial process, the GMIU Admission Cell provides dedicated, end-to-end assistance for securing education loans. We facilitate smooth loan processing through our strong tie-ups with top banking partners, including SBI, HDFC, Bank of Baroda (BOB), and ICICI Bank.

ADMISSION PROCESS & WORKFLOW

Gyanmanjari Innovative University (GMIU) ensures a transparent, streamlined, and merit-based admission framework designed to provide a hassle-free experience for prospective students. Whether applying through digital portals or campus walk-ins, our structured workflow guides candidates clearly from their initial registration down to their final departmental enrollment, ensuring all regulatory compliances and eligibility standards are meticulously met by the admission team.

BI-ANNUAL ADMISSIONS OPPORTUNITIES AT GMIU

Bi-Annual Admissions mean offering admission windows twice within a single academic year. For Gyanmanjari Innovative University (GMIU), this system unlocks a dynamic range of opportunities for both the student community and the institution, ensuring a continuous and thriving academic cycle.

Opportunities for Students :-

A Second Chance to Enroll: Creates a vital opportunity for students who missed primary deadlines, changed career paths, or faced personal/financial delays, allowing them to begin their studies without wasting a full academic year.

Enhanced Accessibility & Flexibility: Gives students the freedom to choose the right program and start their academic journey at a time that best aligns with their life circumstances.

Career Advancement for Professionals: Opens doors for working professionals who are looking to up skill through career-oriented programs with flexible entry points.

Opportunities for Institutional Growth (GMIU) :-

Maximizing Overall Enrollment: Provides an excellent opportunity to capture a wider student base and significantly boost overall annual admission numbers.

Optimizing Infrastructure & Resources: Unlocks the potential to keep university resources—such as classrooms, high-tech laboratories, and expert faculty—actively utilized throughout the entire year.

Gaining a Competitive Edge: Offers a strategic opportunity to stand out in the educational sector, differentiating GMIU from traditional universities that rely on a single annual intake.

Driving Sustainable Revenue: Creates a continuous admission cycle that supports a steady and reliable flow of institutional revenue throughout the year.

Strategic Opportunity Pathway :-

Dual Admission Cycles - Wider Accessibility - Diverse Demographics - Optimized Resource Utilization - Sustainable Institutional Growth.

HOSTEL & TRANSPORTATION FACILITIES

Gyanmanjari Innovative University (GMIU) is deeply committed to ensuring the safety, comfort, and convenience of its students. Recognizing that a secure and accessible living environment is crucial for academic success, the university provides comprehensive transportation networks and premium hostel accommodations designed to offer a "home away from home" experience.

1. SECURE & EXTENSIVE TRANSPORTATION NETWORK

To ensure a hassle-free daily commute, GMIU operates a highly robust and reliable transportation system that covers Bhavnagar city and its surrounding regions.

- **University Fleet:** The university maintains its own extensive fleet of 11 modern buses. These buses are equipped with advanced GPS tracking systems, ensuring real-time monitoring, security, and added comfort for both students and staff.
- **Comprehensive Coverage:** The transport network features strategically planned pick-up and drop-off points across the Bhavnagar BMC area and nearby villages, ensuring maximum accessibility at nominal fares. Third-party bus facilities are also facilitated for students arriving from distant locations.
- **Safety & Flexibility:** Prioritizing student safety, all buses are operated by professional drivers and are strictly maintained. Furthermore, the transportation department provides special adjusted schedules during university examination periods to perfectly align with student needs.

2. ACADEMIC-FRIENDLY HOSTEL ACCOMMODATIONS

GMIU provides safe, and highly disciplined hostel facilities for outstation students, strategically located in prime areas of Bhavnagar to ensure easy campus accessibility and a focused study environment.

- **Separate Facilities:** The university offers distinct accommodations to ensure privacy and security.
- **Boys Hostel:** Conveniently located near PM Awas, Hillpark Chokadi, Bhavnagar.
- **Girls Hostel:** Securely situated near Gyanmanjari School, Kaliyabid, Bhavnagar.
- **Modern Amenities:** The hostels are designed for comfortable living, featuring spacious and highly well-ventilated rooms with an optimal capacity of 5-6 students per room, fostering a sense of community and collaborative learning.
- **24/7 Security:** Student safety is our utmost priority. All hostel premises are placed under strict 24/7 CCTV surveillance and monitored by dedicated wardens, providing parents with complete peace of mind.

LIBRARY & DIGITAL LEARNING RESOURCES

The Central Library serves as the intellectual heart of the institution, fostering a culture of academic excellence and continuous learning. Designed to support a modern, multidisciplinary educational environment, it provides an expansive repository of physical and digital resources to empower the research and academic pursuits of all students and faculty.

Extensive Knowledge Repository :-

Monumental Collection: Houses an expansive physical inventory of over **96,417 books**, **50+ current periodicals**, and more than **300 bound** volumes of prestigious journals.

Multidisciplinary Coverage: Resources span across diverse academic disciplines, including Engineering, Pharmacy, Science, Computer Science, and the Arts.

Digital & Technological Integration :-

Automated Operations: Fully computerized library management utilizing **SOUL 3.0 software**, integrated with an efficient Barcode system for quick check-outs.

Global Connectivity: Features an **OPAC (Online Public Access Catalogue)** for seamless resource tracking and holds DELNET membership for extensive inter-library digital connectivity.

E-Learning Hub: Equipped with a growing repository of digital media, including **400+ CDs/DVDs**, fully supported by a high-speed campus internet network.

Modern Facilities & Operations :-

Student-Centric Infrastructure: Features an Open Access System and highly spacious reading halls designed for deep focus and collaborative study.

Dedicated Support: Managed by a team of professionally trained staff committed to providing world-class academic assistance.

Extended Access: Operates with extended hours from **8:00 a.m. to 6:00 p.m. (Monday to Saturday)** to maximize accessibility for all scholars.

SPORTS, CULTURAL & STUDENT ACTIVITIES AT GMIU

Gyanmanjari Innovative University (GMIU) believes that true education extends beyond the four walls of a classroom. To ensure the holistic development of our students, the university provides a vibrant campus life filled with sports, cultural celebrations, and extracurricular activities. These initiatives are designed to foster leadership, creativity, physical well-being, and a deep appreciation for our rich heritage.

1. Cultural Celebrations & Creative Expression

At GMIU, cultural events are an integral part of the student experience, providing platforms for artistic expression and community building.

Kalamanjari (Cultural Festival):

The university frequently organizes 'Kalamanjari', a dynamic cultural event that blends traditional and modern performances. Students actively participate in diverse activities such as contemporary and traditional dance, drama/skits reflecting social messages, and engaging debates that sharpen their communication skills. These events celebrate cultural diversity, build confidence, and offer a lighthearted environment for students to bond.

Rassmanjari (Cultural Festival):

Rasmanjari stands as the vibrant annual cultural extravaganza of Gyanmanjari Innovative University (GMIU), serving as a grand celebration of student talent, artistic creativity, and rich cultural heritage. Designed to foster holistic development beyond traditional academics, the festival brings together students from diverse multidisciplinary institutes to showcase their prowess in music, folk and contemporary dance, theatrical performances, and fine arts.

SPORTS, CULTURAL & STUDENT ACTIVITIES AT GMIU

2. Physical Well-being & Sports Activities

Recognizing the importance of physical health in managing academic stress, GMIU actively promotes sports and outdoor activities.

Sports & Games:

Students are encouraged to engage in group activities like soccer, basketball, and fitness classes. The campus infrastructure supports various physical activities, ensuring students remain active and energized.

Stress Relief Initiatives:

The university organizes dedicated "Stress Relief Activities" focusing on physical exercises, group games, and relaxation techniques. These sessions are proven to release endorphins, reduce anxiety, and improve overall academic concentration.

Nature Treks:

Regular guided nature treks (e.g., visits to Adhar Devi, Bhuma Point, and Vashishtha Ashram) are organized, allowing students to connect with nature, practice breathing exercises in fresh mountain air, and engage in mindful observation.

SPORTS, CULTURAL & STUDENT ACTIVITIES AT GMIU

3. Indian Knowledge System & Value Education (IKSVE)

GMIU is deeply committed to instilling ethical values and ancient wisdom through its dedicated IKSVE Cell.

Holistic Value Education:

The university conducts seminars and workshops to familiarize students with the rich heritage of the Indian Knowledge System (IKS). These sessions focus on integrating traditional values like Satya (Truth), Ahimsa (Non-violence), and Santulan (Balance) into modern personal and professional lives.

Spiritual Retreats (Antar-Vikas Shibir):

GMIU organizes multi-day residential camps, such as the "Antar-Vikas Yuva Shibir" in Mount Abu. These camps feature meditation, spiritual exploration, philosophical discussions, and self-expression sessions aimed at value-based character building and inner development.

STUDENT GRIEVANCE REDRESSAL CELL (SGRC)

In strict compliance with the **UGC (Redressal of Grievances of Students) Regulations, 2023**, **Gyanmanjari Innovative University (GMIU)** has constituted a dedicated **Students' Grievance Redressal Committee (SGRC)**. We recognize that a supportive, transparent, and secure environment is foundational to a student's holistic growth. This specialized cell provides a formal and highly responsive platform for addressing the concerns of both currently enrolled students and prospective students seeking admission.

Objective & Approach :-

The primary objective of the SGRC is to cultivate an enriching, stress-free learning environment. We move beyond merely imparting knowledge; we actively focus on student well-being and inspire a lifelong pursuit of learning. By maintaining a highly personalized academic atmosphere, the SGRC ensures that every student's voice is heard, respected, and addressed with fairness.

Our Commitment :-

At GMIU, we believe that academic excellence thrives only when a student feels secure and supported. The **Student Grievance Redressal Cell** is a testament to our commitment to maintaining a positive, harmonious, and highly empowering university campus.

Key Features of the Grievance Redressal Mechanism:

Effective Online Resolutions: To ensure accessibility and convenience, the university has implemented a streamlined, online grievance redressal portal. This allows students to raise concerns securely and receive timely, effective solutions without administrative delays.

Transparent & Impartial Process: Every grievance is treated with the utmost confidentiality and is evaluated by the committee objectively, ensuring a completely unbiased resolution process.

Comprehensive Coverage: The SGRC is equipped to handle a wide spectrum of academic, administrative, and interpersonal concerns, ensuring that no student faces an unresolved hurdle during their academic journey.

Proactive Student Support: The committee functions not just to resolve disputes, but to proactively improve the campus ecosystem by identifying potential areas of concern before they escalate.

WOMEN SAFETY & EMPOWERMENT CELL

Gyanmanjari Innovative University (GMIU) is deeply committed to providing a safe, secure, and empowering environment for all female students, faculty, and staff. In strict compliance with UGC regulations and the POSH (Prevention of Sexual Harassment) Act, the university has established a dedicated Women Development Cell (WDC) alongside an Internal Complaints Committee (ICC). These bodies work proactively to ensure a campus culture completely free from gender-based discrimination and harassment.

Core Objectives & Functions:-

- **Zero Tolerance Policy:** GMIU maintains an uncompromising zero-tolerance stance against any form of sexual harassment, intimidation, or gender bias. The ICC is empowered to take strict, immediate disciplinary action against any violations to uphold the dignity of every individual on campus.
- **Confidential Grievance Redressal:** The university provides a secure, accessible, and highly confidential reporting mechanism. Female students and staff can report their grievances without any fear of retaliation or breach of privacy, ensuring impartial, sensitive, and timely resolutions.
- **Gender Sensitization & Awareness:** The cell actively promotes a culture of mutual respect through regular gender sensitization seminars, legal rights awareness campaigns, and expert talks on women's safety.
- **Empowerment & Well-being:** Beyond safety, the cell focuses on the holistic empowerment of women. This includes organizing self-defense workshops, physical and mental health awareness camps, and personalized mentorship programs designed to foster leadership and self-confidence.

A Secure Campus Ecosystem

Through continuous monitoring, robust security infrastructure (including 24/7 CCTV surveillance), and an approachable support system, GMIU ensures that every woman on campus feels respected, protected, and fully supported in her academic and professional journey.

STUDENT CODE OF CONDUCT & DISCIPLINE

Gyanmanjari Innovative University (GMIU) is committed to fostering an academic environment built on mutual respect, ethical integrity, and professional discipline. To ensure a harmonious, safe, and highly productive campus atmosphere that aligns with our innovative learning ecosystem, all students are required to strictly adhere to the university's Code of Conduct.

Academic Integrity & Ethics

Honesty in Academics: Students must maintain the highest standards of academic honesty. Plagiarism, cheating during continuous assessments, or the unauthorized use of materials during module-wise examinations is strictly prohibited and will lead to strict disciplinary action.

Punctuality & Attendance: Regular attendance in theory classes, practical labs, and expert sessions is mandatory. Students must meet the minimum attendance criteria set by the university and UGC guidelines to be eligible for academic evaluations.

Campus Behavior & Professionalism

Identity Cards: Wearing a valid university Identity Card visible at all times within the campus premises is mandatory for security and administrative purposes.

Dress Code & Decorum: Students are expected to dress modestly and professionally, reflecting the academic dignity of the institution. Disruptive behavior, use of abusive language, or disrespect toward faculty, staff, and fellow students will not be tolerated.

Safety & Substance Abuse

Drug & Tobacco-Free Campus: The entire university campus, including hostels and transport facilities, is strictly a no-smoking and substance-free zone. The possession, consumption, or distribution of tobacco, alcohol, or any illegal narcotics is a severe punishable offense.

Anti-Discrimination: GMIU ensures an inclusive campus. Any discrimination, harassment (including sexual harassment), or bullying based on gender, caste, religion, or background will be dealt with severely by the respective grievance and disciplinary cells.

Anti-Ragging Policy (Strict UGC Compliance)

Zero Tolerance: In strict adherence to UGC regulations, GMIU maintains a "Zero Tolerance" policy towards ragging in any form—physical, psychological, or digital.

Immediate Action: Any student found guilty of participating in or encouraging ragging activities will face immediate suspension, cancellation of admission, and potential legal action as per the prevailing laws.

IMPORTANT DETAILS

In our commitment to transparency, digital integration, and seamless accessibility, Gyanmanjari Innovative University (GMIU) has centralized all essential institutional resources. As part of our paperless and student-centric approach, we invite students, parents, and regulatory authorities to scan the respective QR codes below for instant access to our official portals, mandatory disclosures, and support systems.
