Academic Excellence and Research Prowess

The university's mission is clear – to achieve academic excellence and push the boundaries of research in science, engineering, and technology. By doing so, GMIU seeks to fulfill the expectations of society by equipping its students as resourceful citizens ready to contribute to making the world a better place.

GMIU offers a diverse range of undergraduate, graduate, and doctoral programs across various disciplines, including Sciences, Engineering, Humanities, Social Sciences, Business, and the Arts.

The curriculum is meticulously crafted to blend theoretical knowledge with practical skills, ensuring that graduates are well-prepared for the challenges of a rapidly evolving world..

જ્ઞાનમંજરી ઇનોવેટીવ યુનિવર્સિટીના વિદ્યાર્થીઓ દ્વારા 'ઓટોમેટિક ફિશ ફીડર' નામનો એક નવીન પ્રોજેક્ટ વિકસાવવામાં આવ્યો.

અત્યારના આધુનિક સમયમાં દરેક વ્યક્તિના શોખ અલગ-અલગ હોય છે. જેમાંથી ઘણાબધા લોકો પોતાના ઘરમાં અવનવી માછલી રાખતા હોય છે પણ ઘણીવાર જ્યારે તેમને કોઈ કારણોસર ઘરથી દૂર કે બહાર જતાં હોય એ ત્યારે એક સામાન્ય સમસ્યા એ છે કે માછલીને ખવડાવવું કેમ? અથવા તો ક્યારેક ખવડાવવાનું જ ભૂલી જવાય છે.

તો આ સમસ્યા ને દૂર કરવા જ્ઞાનમંજરી ઇનોવેટીવ યુનિવર્સિટીના વિદ્યાર્થીઓ દ્વારા ઓટોમેટિક ફિશ ફીડર નામનો એક નવીન પ્રોજેક્ટ બનાવવામાં આવ્યો છે. આ પ્રોજેક્ટ ડિપ્લોમા કોમ્પ્યુટર એન્જીનિયરિંગના વિદ્યાર્થી નિહાલ જોષી અને માધવ જાની એ પ્રોફેસર વિપુલ બાંભણીયાના માર્ગદર્શન હેઠળ તૈયાર કર્યો છે.

આ પ્રોજેક્ટનો હેતુ માછલીઘર અને ફિશ ટેન્કમાં માછલીઓને સમયસર અને પ્રમાણસર ખોરાક મળી રહે અને તેમના યોગ્ય પોષણ અને આરોગ્યની ખાતરી કરવાનો છે.

ઓટોમેટિક ફિશ ફીડર એ સુનિશ્ચિત કરે છે કે માછલીને નિયમિત અને યોગ્ય માત્રામાં ખોરાક આપવામાં આવે, જેનાથી માછલીની વૃદ્ધિ સારી થાય, અને તેમનું આરોગ્ય સુધરે અને તેનાં સ્વાસ્થ્યમાં સુધારા થાય તેવો છે અને આવી માછલી ખેડૂતો ને ઉચ્ચ ઉપજ તરફ લઈ જાય છે, જેનાથી તે પ્રદેશમાં ખાધ સુરક્ષામાં યોગદાન આપી શકે છે.

આ પ્રોજેક્ટથી માછલી ઉછેર કેન્દ્રમાં કાચે કરતા ખેડૂતોનો ખર્ચ ઘટશે અને તેમની આવકમાં ધરખમ ફેરફારો થશે. જેના આધાર પર ભારત સરકારનાં વિકસીત ભારત ૨૦૪૭ નાં વિઝનને વેગ મળશે, અને સમાજનાં વિકાસથી રાષ્ટ્રનાં સ્વપ્નો સાકાર કરી શકાશે.

Beyond Academia: Fostering Inclusivity and Sustainability

However, GMIU is not just about academics. It is a holistic institution that places equal emphasis on extracurricular activities. The university boasts a plethora of clubs, sports teams, cultural events, and community service opportunities, providing students with a well-rounded experience.

"At GMIU, we don't just educate; we inspire. Our students are not merely learners; they are catalysts for positive change in their respective fields," "Our institution is a trailblazer, combining academic excellence, innovation, and a student-centered approach to deliver an educational experience that stands at the forefront of higher education."

Student Placement 2023

GMIU એ તેમના છેલ્લા વર્ષમાં અભ્યાસ કરતો વિદ્યાર્થીઓને સારી કંપનીઓમાં પ્લેસ કર્યો. કોમ્પ્યુટર તથા ઇન્ફોર્મેશન ટેકનોલોજી શાખાઓમાં ઓનલાઇન ઇન્ટરવ્યુ યોજીને વધાર્થીઓના નાણાં અને સમયનો વ્યય અટકાવીને તેમને પ્લેસમેન્ટ આપવામાં આવ્યું. વરુેઅલ ઇન્ટરવ્યુ, અભ્યાસ અને પ્રધ્યાપકોના માગેદશોનથી વિદ્યાર્થીઓને પ્રતિષ્ઠિત કંપનીઓમાં સારુ પ્લેસમેન્ટ મળ્યું છે. કોમ્પ્યુટર અને ઇન્ફોર્મેશન ટેકનોલોજી શાખામાં પ્લેસમેન્ટ આ વર્ષે તેના શ્રેષ્ઠ સ્તરે પહોંચી ગયું હતું, આ બન્ને બ્રાંચનું 100% પ્લેસમેન્ટ થયેલ છે.

As many as 232 engineering students participated in the interview conducted by GMGC. Nearly 32 delegates of the companies took interviews of these students and 212 students got job offers. Which shows that the demand for skilled engineers is going to remain forever? The skill development program and various technical activities run at the institute give the students a unique exposure to the industries, which makes the students industry ready.

Pocket FM offered a package of CTC 14.60 Lakh per annum to Mr. Ishan Vagani and overall 4 to 14+ lakh per annum package (CTC) offered to many bright students.

Student Placement 2023-24

Let's dive right into the exciting news!

We have dedicated team of the entire department for Training and Placement; they help students through out the year in terms of resume writing to prepare for an interview, as well as how to crack the interview. With the help of TPA team students can prepared by themselves for future challenges and become ready to face their potential employer.

Here are some facts and figures of the placement

- Computer engineering department we have 70 total number of students placed in more than 35 companies. The average package of 3 LPA has been offered. One of the student whose name is Meha Bhalodiya from computer engineering got highest package of 12 LPA from Keptn- MNC and she is being placed at upper Austria.
- IT engineering department there are 60 students placed in 34 companies with average package of 2.40 LPA. Rana Krishana got highest package of rupee 3.60 LPA from STACK SUMMATION.
- MCA department consecutively have a good placement so far. The highest placement of 3LPA has been offer to a student name Bhungaliya Arshit from TRYON INFOTECH Surat as a Flutter Developer.

Student Placement 2023-24

We are delighted to share latest placement details of our esteemed students of our colleges under the different institute. As evidenced by the outstanding placement records achieved by the graduating batch of 2022-23.

Industrial Visit

1. Jenburkt Pharmaceutical Pvt. Ltd.

**Coordinator : Dr. Viram J. Paramar,
Prof. Twinkle J. Bhatt**

The students of 8th emester of Pharmacy department Visited Jenburkt Pharmaceutical Pvt.Ltd. at 26th February, 2024.

Our main purpose of the visit is to familiarize the student of 8th semester is to gain insight into Pharmaceutical industry, particularly in the areas of manufacturing, quality control, and research and development.

The objective of the visit is to give the knowl- edge of Space Applications and Geo-informatics concepts.

3. Crave International

**Coordinator : Dr.Mandeep Majmudar
prof. Niyati Bhatt**

2nd semester students of BBA visited Crave International on 26th February , 2024. The objective of the visit is to blend theoretical knowledge and practical knowledge.

2. BISAG- Gandhinagar

**Coordinator : prof. Amit Rathod
Prof. Abhilasha Raval
prof.Nilesh Khodifard**

2nd semester student of BCA and MCA visited Bhaskracharya National Institue for Space Applications and Geo-information, at Gandhi- nagar on 1st March, 2024.

2. Vibrant Industrial Park

Coordinator : Prof. Vimal Jogi

The students of 5th Semester Degree Civil engineering have visited a Commercial Building construction site - "Vibrant Industrial Park" on 7th August to understand the construction of commercial properties.

Industrial Visit

4. Airport ; Lock gate system

Coordinator : Prof. Chirag Parmar

2nd , 4th and 6th semester students of Civil Branch visited Airport Lock gate System, Bhavnagar.

The main aim of the visit was to blend the theoretical aspects and practical aspects. Students learnt Parking, Terminal Building, Waiting area, Conveyor belt facility, Runway, Fire safety plan and many more.

5. ISRO - VSSE

Coordinator : Prof. Chirag Parmar

The Students who visited ISRO- VSSE are from 2nd Semester Degree and Diploma CE.

The objective of the visit is to familiarize students with our space program and get information about the design and development of space rockets, satellites, explores upper atmosphere and deep space exploration mission.

6. Regional Science Centre

Coordinator : Prof. Vipul Bambhaniya

Degree and Diploma civil Engineering students of 2nd semester visited Vibrant Gujarat Global Summit – Gandhinagar.

The main purpose of the visit is to familiarize students with the science & technology and get practical knowledge of different aspects of modern technologies and innovative ideas through the visit.

7. SPRERI- Vallabh Vidya Nagar

Coordinator : Prof. Dhaval Joshi

An industrial visit for Diploma and Degree Mechanical students was held on 29th February, 2024.

The main purpose of the visit is to give acquainted with the research and development work in the renewable energy sector and to be attentive towards the recent trends in the renewable energy projects.

Extension Activities

Workshop on Solar Industry

The Department of Electrical Engineering had organized the Alumni Talk by the industrial expert - Mr. Santosh Jani who is presently the director of DEV SOLAR (SUNRISE SOLAR PVT LTD) Bhavnagar. It was organized on February 29th 2023 (Thursday). This lecture proved to be very helpful for students to gain the knowledge about how solar energy is utilized in generating Electricity.

Talk with PARTH UPADHYAY

An inspirational talk was organised on 6 February, 2024 with Parth Upadhyay. He shared his life experience as a skilled mountaineer with an energetic personality, has achieved remarkable feats in the world of climbing. At the age of 24, on 23rd May, 2019, he stood atop the majestic Mount Everest, fulfilling a 9 years long dream. His journey to the summit serves as an inspiring testament to perseverance, courage, and unwavering determination.

Resume Writing Workshop

The Department of Electrical Engineering had organized the stress relief activity for diploma engineering students. It was organized on 28th February, 2024 (Wednesday). This activity proved to be very helpful to students in order to frame and execute a proper resume to step out in the Industries after graduation. Students were motivated to balance the studies along with the academics in their regular life.

Workshop on CPR Training

Gyanmanjari Innovative University organized a workshop guided by Young Indians and EMRI (Emergency Management and Research Institute) on 6th February, 2024 regarding accidental first response and CPR training. These programs play a crucial role in equipping individuals with life-saving skills. Approximately 85 students participated in the workshop. Students learnt Key aspects of accidental first response.

International Tie-Ups

Gyanmanjari Innovative University Forges International Partnerships with Laurentian University, Canada, and College De Paris, France.

These partnerships signify a milestone in the university's commitment to fostering global education and providing unparalleled opportunities for its students.

This strategic collaboration opens doors to a plethora of benefits for students:

- **Cultural Enrichment:** By studying abroad, students will immerse themselves in new cultures, languages, and perspectives, fostering a deeper understanding of global issues and diversity.
- **Academic Excellence:** Access to world-class educational resources and faculty from partner institutions will enhance student's; academic growth and broaden their knowledge base.
- **Professional Development:** Participation in work-based internships abroad will provide students with hands-on experience in their respective fields, equipping them with essential skills and enhancing their employability.
- **Global Networking:** Students will have the opportunity to build international networks, fostering connections that may prove invaluable in their future careers.
- **Personal Growth:** Living and studying in a foreign country fosters independence, adaptability, and resilience, contributing to student's holistic development.

STUDENT CENTRE ETUDIANT

VIBRANT HACKATHON 2023

Gujarat Knowledge Society, Education Department Government of Gujarat has organized "New India Vibrant Hackathon 2023" under Student Startup Research and Innovation Festival (SSIP 2.0). Total 16 Universities/Institutes of Gujarat have hosted regional round of the said event on 4th November 2023 (Saturday). Gyanmanjari Innovative University, Bhavnagar has hosted regional round of "New India Vibrant Hackathon 2023" on 4th November 2023 (Saturday).

The Education Department Government of Gujarat has taken series of initiatives to design and develop innovation processes and ecosystem across its affiliated colleges and universities. To structure and institutionalize various initiatives and support systems towards it, Student Start-up and Innovation Policy (SSIP 2.0) is designed and is being implemented. Under its mandate, various innovative interventions have been suggested to all universities. New efforts at various levels like institutional, pedagogical, process and community level have been suggested to engage and leverage students across the innovation value chain.

Youthfest

The vibrant atmosphere of Gyanmanjari Innovative University's Youth fest 2024, a captivating segment of Techmanjari 2024, unveiled on the 9th and 10th of February, leaving an indelible mark on the Bhavnagar collegiate community. The first day showcased the artistic prowess of 84 participants in the Drawing Competition, with the distinguished Dr. Shailesh Dabhi from Shamaldas College, a renowned expert with a diploma in painting, serving as the discerning judge.

Simultaneously, 82 participants engaged in the intellectually stimulating Blind Coding challenge, while 73 participants showcased their financial acumen in the Account Hunt event, expertly adjudicated by CA Nisha Sachdev. The excitement continued on the 10th with the Startup Showdown, attracting 58 aspiring entrepreneurs, and a battle of wits in the Quiz, featuring a remarkable 103 participants.

International Women's Day

Gyanmanjari Innovative University organized a celebration of International Women's Day for the students by arranging an expert lecture on Cervical Cancer Awareness which was delivered on 5th March, 2024, by Dr. Nidhi Vasani, a renowned gynecologist in Bhavnagar.

International women's day which falls on 8th March 2024, for which Gyanmanjari Innovative University had organized the celebration for the faculties as well. Different types of games and fun activities were planned for all the faculties which inturn developed the bonding with each other. At last to reward the
