ALUMNI COMMITTEE

15 NOV 2024

Objective

As the vital link between the Institute and its cherished alumni network, the Alumni Committee is dedicated to nurturing mutually beneficial relationships.

Alumni Committee of GMIU functions to strengthen the bond between the institute and its alumni. Strong Alumni base is one of the formidable strengths for any elite institute. Thereby, Committee acts as a platform where the existing students and the alumni can interact for a healthy, mutually beneficial relationship.

The prime objective of our committee is to foster relations between the Alumni and the Institute and strengthen the bond between Alumni and current students.

The committee organizes various events such as Alumni Interaction in every semester and Annual Alumni Meet to keep the alumni in constant touch with the institute and also help them in networking amongst themselves.

The committee also tracks and highlights the achievements and successes of alumni so as to provide impetus to the institute and its students. The committee acts as facilitator and provides administrative help to the alumni. The committee is also striving to set up and maintain a dedicated website for alumni activities.

Events and Activities

Annual Alumni Meet:

Alumni Committee organizes alumni meet to facilitate the reunion of the alumni. Alumni from all the batches across all programmes come together to bond with the institute and relive their old memories. The meet spans across the whole day including various interactive sessions, panel discussions and fun filled activities.

Student Alumni Interactive Sessions:

Knowledge sessions are organized, where our alumni come and share their experiences about their work and industry. This imparts the practical knowledge to the students and helps in relating whatever we are studying to the real corporate scenario. The students get a picture of the corporate life and expectations from them.

Mentorship Program:

Our alumni mentor the first and second year students and help them in grooming them further. This prepares them for the summer internships as well as final placements. Alumni Committee helps in connecting the students with alumni having similar interests thus giving a boost to the aspirations of students. Due to the continuous interactive nature, alumni are also well versed with the happenings in the institute.
